

SMARTE WHEELS®

Auxiliary Vending

Add income to your stroller service and enhance customer satisfaction with auxiliary vending.

Enhance the image of your facility as a fun, family friendly place to shop with auxiliary vending. Auxiliary vending is a creative way to generate higher sales revenue without using any additional square footage. Vending units offering gum, candy or toys are placed on top of the return ends of stroller management units to promote recapturing the reward refunded to customers who return strollers to the unit.

Families with young children like to offer the items as an incentive for good behavior, thereby

increasing the chances of a pleasant shopping trip. The vending units also attract other shoppers who want a quick treat as they enter or exit your mall.

Products are ordered through Smarte Carte and funds from the vending units are collected along with the stroller rental revenue. Like the Smarte Carte stroller service, auxiliary vending units can be managed and maintained by an on-site Smarte Carte professional.

Features:

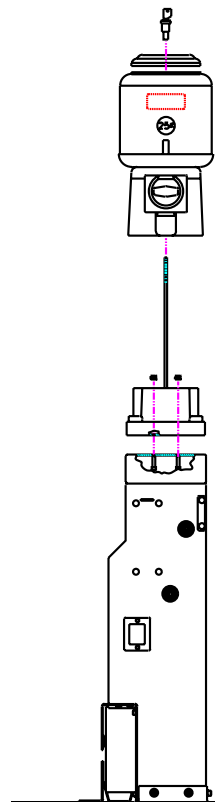

- Generates higher sales revenue without using additional square footage.
- Adding auxiliary vending units to your existing Smarte Carte stroller service is easy. Auxiliary vending units are simply bolted to the top of stroller return ends.
- Smarte Carte utilizes the Beaver Vending Machine which carries with it an excellent reputation for longevity, durability and superior quality.
- Vending unit globe is shatter-proof. Body is black plastic with triple-plated, polished chrome vending mechanism and trim.
- Accepts quarters, dimes, and nickels.
- Products that can be vended include a variety of candy, gum, toys and other encapsulated novelties.
- Lightweight, durable steel frame is corrosion resistant.
- Strollers are compact and nest tightly to require minimal floor space.

With auxiliary vending units conveniently located on top of stroller return units, parents can offer the gum, candy or toys to their child as a reward for good behavior, increasing the chances of a pleasant shopping trip.
