

SMARTE WHEELS®

Double Stroller

The Smarte Wheels® Mall Responder double stroller is twice as convenient and twice as fun!

Enhance guest satisfaction and increase traffic to your facility with our Smarte Wheels® theme strollers. Theme strollers bring smiles to the faces of parents and kids by making their shopping trip happy, relaxed and entertaining.

Our Mall Responder theme stroller accommodates two children with comfortable seats and steering wheels constructed of durable plastic. Strollers also include amenities such as cup holders and a large nylon bag for maximum package capacity.

Like all of our strollers, the Mall Responder is compact and nests tightly to save valuable floor space — requiring less space than any other double theme stroller on the market!

Through our popular concession program, Smarte Carte provides the strollers and stroller management units at no cost to you, we maintain the equipment and manage the service – and we share the revenue with you!

MALL RESPONDER™

Features:

- Molded plastic body in the shape of a truck includes two seats, safety straps and warning message.
- Graphics are molded into the plastic body and will not peel or scratch.
- Moving steering wheels keep little hands busy.
- Two molded plastic cup holders and tray are conveniently located near stroller handle.
- Large black nylon parcel bag for storing packages and personal items.
- Designed for easy maneuvering in tight retail environments, even when fully loaded.
- Lightweight, durable steel frame is corrosion resistant.
- Strollers are compact and nest tightly to require minimal floor space.
- Sponsorship decals are available to tenants or other advertisers.
- Available through a revenue-share concession or lease option.
